

'Sikorsky Secures Sale of S-76D Executive Helicopter in Maharashtra

Sikorsky, a Lockheed Martin company announced the sale of an S-76D Aircraft to the Government of Maharashtra in India. The announcement came during the Farnborough International

A Sikorsky S-76D Executive Transport Helicopter has a range of 400 nautical miles and is fully customisable

Air Show. This contract marks the first sale of an S-76D Helicopter in India. Delivery is scheduled in 2019.

"The S-76D Helicopter introduction has been quite successful in the Indo-Pacific Region, with more than 30 aircraft sold and delivered in the last five years," said Christophe Nurit, Sikorsky's Regional Executive for Asia. "The aircraft has been selected and proven for Multiple Mission requirements ranging from Naval and Coast Guard Operations to Executive Transport. One of our clients in Asia has accumulated 10,000 hours on its S-76D Fleet in less than two years. This is another great achievement for this product. Sikorsky is proud to now introduce it in India."

S-76D Helicopter VIP options include a customised interior with seating for five to eight passengers. Uniquely, the S-76D Helicopter can hold its Rotor System still while running an engine to power the on-board air-conditioning system for safe, comfortable loading and unloading into the pre-cooled cabin during the summer season and hot climates.

Sikorsky has delivered more than 875 S-76 Helicopters to customers globally since 1977, amassing more than 7.25 million fleet flight hours.

Lockheed Martin is a Global Security and Aerospace Company that employs approximately 100,000 people worldwide and is principally engaged in the research, design, development, manufacture, integration and sustainment of advanced technology systems, products and services.
