Min recommends use of ATA Carnet to boost export

Minister for small and medium industry (independent charge) Bhagwat Sharan Gangwar has said that small, medium entrepreneurs and artisans in Uttar Pradesh can avail the benefit of ATA Carnet to display, showcase and market their products in the overseas market. He said the state government with the help of Federation of Chamber of Commerce and Industry (FICCI) will apprise handicraft exporters of the ATA Carnet and will help them in obtaining it. Senior director FICCI Nirankar Saxena explained that ATA Carnet is a global customs document, which simplifies customs procedures at different customs stations to facilitate temporary importation of goods.
