FICCI, (Federation of Indian Chambers of Commerce and Industry) had sent a request to the board to extend the facility of Customs clearance against ATA Carnet at [Jaipur](#) port.

ATA Carnet is a temporary admission document, which simplifies the customs procedures and clearances in a foreign country, without paying duty or a [bank](#) guarantee for temporary import into that country.

Like a passport for goods, ATA Carnet allows for the goods for which it was issued to enter any of the participating countries for up to one year.

An ATA Carnet holder can avoid customs declaration and can do away with security deposit or guarantee in the country of temporary importation. In India, [FICCI](#) is the sole National Guarantor for ATA Carnets.

ATA Carnet covers several areas for use including trade fairs, shows, exhibitions, meetings etc. for temporary export into a country, which is a signatory to the conventions governing ATA Carnets. Goods must be re-exported out of every country and re-imported into [India](#) within a year.

At present 77 countries recognize ATA Carnet, including Australia, Canada, France, Germany, Japan, Korea, Malaysia, Spain, UAE, UK and USA.
