## Club One Air on an Expansion spree

*Inducts 3rd Falcon and opens airport & aviation service, targeting combined turnover of more than Rs. 200cr. by 2020*

**Hyderabad, 16th March 2016:** Club One Air- India's largest and oldest Luxury Jet Charter operator is all set to increase its total fleet size to a double digit! With the introduction of their 3rd Falcon-2000 into its fleet, the Delhi headquartered private jet operator has now doubled its total fleet size to 10 within just two years.

Commenting on this new addition to the family; **Mr. Bhupesh Joshi, Director & CEO, Club One Air** said, "It gives me immense pleasure to introduce one more Falcon -2000 into our fleet. We believe this initiative will help us to provide best in class services to our customers in a seamless manner."

The 3rd Falcon 2000 was manufactured by Dassault who strongly have presence since 50' as provider of fighter jet for the Indian Air force such as iconic '**Mirage 2000**'. Dassault aviation is also a business jet market leader in India in the long range large cabin segment.

"We want to congratulate Club One Air for the addition of one more Falcon 2000 to its fleet. We are looking forward to support the aircrafts through extended customer service network in India," **Gilles Gautier, Senior Vice President-Sales, Dassault Aviation.**

"We are very proud to be associated with Dassault whose aircrafts are also Indian Airforce's pride. We are extremely impressed with the timely delivery of Falcon's which are the backbone of our fleet," **Mr. Joshi** added.

Besides, introducing new jets, Club One Air has also doubled their revenue since 2013-14 along with the flying hours per plane per month. Growing at 20% the company has also opened F&B services and ground handling services under the brand name of **Club One Class and Club One Concierge**. The organization is set to achieve Rs.100cr. by next financial year and is eyeing a combined turnover of over Rs.200 cr. by 2020. Club One Air is already operating at over 100 airstrips in India and played an instrumental role during recent natural calamities in Uttarakhand and Chennai.
