

Lockheed Martin at Aero India 2015

Lockheed Martin will be well represented at Aero India with a team of almost 30. The company will have its booth at Hall E, Stand E3.19.

Lockheed Martin will be showcasing several solutions from different business areas at Aero India 2015. These businesses have several current and potential projects with the Indian services. Lockheed Martin will also be looking at building and growing relationships with key industry in India. One of the key focus areas will be the C-130J Super Hercules--the world's most proven airlifter. In addition, Lockheed Martin will also be showcasing its world-proven missile systems including the precision-strike AGM-114R multipurpose HELLFIRE II, DAGR. Lockheed Martin will also focus on the MH-60R/S (Romeo and Sierra) which are the most advanced maritime helicopters. Lockheed Martin hopes to offer these as solutions for the Indian Navy's multi-requirement NMRH program. Other products on display will include the K-MAX, E2D Hawkeye and Javelin.
